Affiliation Policy

Spelling of the BZKF in all publications

Bavarian Cancer Research Center (BZKF)

Indication of multiple institutional affiliations

If you are affiliated with more than one institute, please also list the BZKF.

e.g. **name [1],[2]**

[1] **Bavarian Cancer Research Center (BZKF),** indication of location (optional)

[2] other institution

The BZKF location may be specified individually by the author.

Example: Bavarian Cancer Research Center (BZKF), **Augsburg,** Germany.

Addressees - The Affiliation Policy applies to all …

» …Publications produced with the help of a BZKF working group, lighthouse structur, study group, or BZKF staff in the BZKF infrastructure.
» …Authors who are (co-)funded by BZKF funds.

Research Funding Acknowledgement

Please use following format to denote the project or externally funded context your publication originated from:

This project has received funding from the Bavarian Cancer Research Center (BZKF).

Mentioning the BZKF in social media

To reach more stakeholders, please present your scientific results or projects on social media if possible. You can tag the BZKF as:

bzkf_bayern   bzkf   bzkf_bayern   Bayerisches Zentrum für Krebsforschung
