

Spatial Biology at YOUR Scale

LUNCH & LEARN | Monday 17 June 2024, Time 12.00 – 14.00

Spatial Phenotyping: A Revolutionary Approach to Biomarker Discovery

- 12.00-13:00 Networking Lunch
- 13.00-13.35 Deconstructing Disease Mechanisms, Therapy Responses and Patient Outcomes by Highly Multiplexed Tissue Imaging, **Christian Schürch, M.D., Ph.D.**
- 13.35-14.00 Unveiling Complex Biological Systems: Advances in Spatial Biology and Phenotyping with Akoya Biosciences, **Alessio Colombo, Ph.D.**

Christian Schürch, M.D., Ph.D.
Professor of Pathology, University
Hospital Tübingen

Alessio Colombo, Ph.D.
Sr. Field Applications
Scientist, Akoya Biosciences

**VENUE | Upper Lecture Hall, University Hospital Erlangen,
Institute for Pathology, Krankenhausstr. 8-10, 91054 Erlangen**

Built on proven technology and backed by
>1000 peer-reviewed publications, our new platforms
are leading the way to Spatial Biology 2.0
